stay safe

Safety is always a top priority. The below is a list of things you can do to stay safe while working on a job. Not following these rules may lead to injury. If a client is requesting anything on this list, call the Tidy Team support number.

TIDY TEAM SUPPORT: (602) 753-5630

no working outdoors

All work will be indoors. No cleaning patios, outside windows, or garages.

no lifting heavy objects

Lifting heavy objects can be dangerous. If it's heavier than 20 lbs don't move it!

no ladders

Keep both feet on the ground. No climbing ladders of any kind. Use extending poles to clean up high.

no light fixtures

Avoid cleaning light bulbs, lighting fixtures or anything that looks or feels breakable.

no harsh chemicals

One splash and this can stain carpets and furniture. Avoid bleach & other harsh chemicals.

no biological waste

Never pick up or handle biohazards. If it comes out of something living, don't touch it!
